Monthly Message

Morrissey Group is pleased to relaunch our Newsletter in our new format.

You will be receiving this Newsletter because our companies have worked together in the past, you have subscribed straight off the website or because you have expressed an interest to one of our training staff.

Victor Morrissey
Managing Director
Morrissey Group Pty Ltd

Morrissey Group has training offices in Brisbane, Maryborough, Rockhampton, Mackay and Cairns. We are the fastest growing Registered Training Organisation (RTO) in Queensland with qualified training staff in a variety of vocational training courses.

This Newsletter allows us to provide information regarding what we offer, and the dates of our upcoming courses to Employment Service Providers and other interested parties. If you require additional information we are happy to answer any enquiry you might have. Just drop us a line. For more information you can also visit our website at www.morrisseytraining.com.au.

As with all responsible companies we provide a simple method of unsubscribing by clicking on the unsubscribe button with this email.

Rockhampton Update

CQ Region the heart of QLD, provides the largest array of Morrissey Group's training courses, excelling in Business Services, Security, Health, Community Services and Mining.

In Rockhampton we have recently commenced training in GI Safety Induction through a licence with Mining Industry Skills Centre Inc.

GI - Safety Induction for the Industry Workplace includes Coal, Metalliferous - Surface and Underground and Heavy Industry Inductions.

On the corporate front there has been a lot of interest in upgrading to the new TAE Training and Assessment Training Package and the Diploma of Management, with many individuals in supervisory roles taking advantage of Recognition of Prior Learning (RPL) process.

For more information on our wide range of training courses call our team on 07 4922 3800, or email me at aaron@morrisseytraining.com.au.

RSA now in the Bay and Maryborough

With the boom in the security industry continuing, we have done our part in providing high quality security training in the Maryborough/Hervey Bay and Bundaberg regions.

The increasing demands placed on the industry have seen Morrissey Group enlarge their training scope for security trainees and we are now offering places in Responsible Service of Alcohol, which is the latest mandatory inclusion to the Base line Certificate II Security Licence. As of January 1 2011, all Security Providers' (that is all Security Officers) will need to gain their RSA if they wish to work as a Crowd Controller. Employers have already taken this onboard and are preferring to hire staff with this qualification over those that do not have it.

Further, the Federal Government has begun enforcing compulsory Bodyguard qualifications if, as part of a guard's duties, they are escorting persons for any reason. Morrissey Group is one step ahead of the Fed's and have been running Bodyguard courses for some time now.

Each qualification offered from our neatly appointed office and training facility at 51 Ellena Street, Maryborough, are nationally recognised, and with the experience offered by our Group Trainers attendees are assured of first class training for the job market.

I am happy to field all enquiries for the security courses we offer, from PPP eligibility to Private Investigation or TAE Workplace trainer courses. Just phone us on (07) 4123 0795, or e-mail dan@morrisseytraining.com.au.

I look forward to helping with your future employment options.

Kind regards

Dan McNaughton
Wide Bay Burnett Manager

Aged Care Subsidised Training in Mackay

Through our relationship with TAFE Queensland we are able to offer subsidised training in CHC30208, Certificate III in Aged Care in the Mackay Region. Savings of up to 75% of the course fee can be achieved with concession card holders saving almost 90%.

Aged Care is a growth employment area with all students from our last course securing employment in Mackay in the Aged Care Industry.

All students from our last course secured employment in Mackay in the Aged Care Industry

Morrissey Group has developed our own Vocational Workplace package as part of our Certificate III in Aged Care Training Programme. This gives the students exposure to the workplace and to potential employers. Our experience has shown that students undertaking workplace experience in local Aged Care Facilities soon find employment.

Before working in the Aged Care Industry students require a police clearance.

For more information phone Christine on 0409 575 419.

Lynne Danger, based in Mackay, is a highly skilled Trainer with valuable hands-on experience caring for the elderly and the disabled
